SPECIFICATION DETAIL	
Color	Black
Weight	110gr (0.24 lb.)
Width (W)	21mm
Depth (D)	57mm
Height (H)	15mm
Package Weight	190gr (0.42 lb.)
Package Measurements	85x60x25mm (W,D,H)

> ### DID YOU KNOW?
> Supply chain attacks have been on the rise in the last few years, rapidly becoming one of the most dangerous security threats. According to one survey, supply chain attacks increased 650% in 2021. A hardware supply chain attack relies on compromising actual physical devices such as USB drives, phones, tablets, screens and even keyboards.
